

## Fundraising Goal in Sight

Nick Vailas, at left, and Alex Vailas, right, donated \$5,000 on behalf of the Vailas and Snyder families to the Manchester World War II Memorial in honor of their uncle, Alexander Arthur Vailas. They presented the check to Dick Anagnost, chairman of the Manchester World War II Committee. The committee, in association with the Manchester Veterans Council, has raised 80 percent of the \$175,000 needed to build a permanent memorial to the men and women of Manchester who served in the armed forces during World War II. Tentative plans call for a Memorial Day ground-breaking ceremony. Those wishing to contribute to the memorial should send their donations to the Manchester World War II Memorial, 1 City Hall Plaza, Manchester, NH 03101 or online at [www.ManchesterNHWWII Memorial.com](http://www.ManchesterNHWWII Memorial.com).
